#### SHSM Program Description:

At L.C.V.I. we are very fortunate to be able to offer the Health and Wellness SHSM in two ways: Via our 2-year OYAP Academy of Hair Program, where you earn all the components of the SHSM within the program, and through our regular programming where you can customize your experience.

We offer a wide range of courses that apply to the Health and Wellness sector. From our Live Fit and Powerfit to Cosmetology and Working with Children to AP Physics and Biology, there is a plan for every destination.

We have in-house CPR-C and First Aid and WHMIS instructors that can provide certifications for students.

Our coop program lends to many sector specific experiences and our close proximity to the YMCA and downtown allows for ample opportunities.
